FOR IMMEDIATE RELEASE

Leader Technologies Announces Two New Features for its Premier Audio Conferencing Product

Columbus, Ohio (July 16, 2010) – Leader Technologies is pleased to announce two new features of our premier audio conferencing product, Leader Phone®:

Group Dialing

Setup and use is easy:

1. Sign into www.leaderphone.com
2. Select “**Contact**” from the left side of the screen
3. Select “**Create Group**”
4. Select desired Contacts and choose “**Add to Group**”
5. Save the group (note the **Group Number**)
6. Call **877-278-8686**
7. Enter your **PIN** to start the conference
8. Press “**11**” on the handset
9. Enter the **Group Number** (from Step 5)
10. The group members are added to your call!

On-Line Bill Pay

Once logged in, select “**Bill Pay**” from the left side of the screen. Follow the simple prompts to pay with most major credit cards.
